Education

Boğaziçi University, Industrial Engineering 09/2021 – Present | İstanbul, Turkey

PEV Amiroğlu Science High School, Secondary Education 2017 – 2021 | Denizli, Turkey

Professional Experience

Getirfinans, Customer Experience Intern 08/2026 – Present

- Acted as a bridge between customers, Growth, and Product teams by translating customer feedback into actionable insights.
- Analyzed Voice of Customer (VoC) data to identify recurring pain points, customer needs, and improvement opportunities.
- Supported the deployment of AI assistants within the Getirfinans mobile app and analyzed their impact on customer satisfaction and contact avoidance.

Procter & Gamble, Brand Management Intern 07/2025 – 06/2026

- Planned and executed end-to-end integrated marketing initiatives across e-commerce and retail channels, enhancing the visibility of the Power Oral Care portfolio and increasing in-store visibility by 30%, aligning with brand growth priorities
- Developed a comprehensive growth action plan for the toothpaste category by leveraging trade, distribution, and competitor insights to identify key growth opportunities
- Designed and implemented an SEO-driven megabrand search strategy, enhancing digital visibility and strengthening brand presence across key e-commerce platforms

Buluttan Weather Intelligence, Business Development Intern 12/2024 – 06/2025

- Managed key energy sector accounts, overseeing client communication, performance tracking, and data-driven reporting
- Analyzed product performance and customer needs to support business growth and improve service delivery
- Conducted market and customer analysis to identify opportunities in renewable energy solutions
- Coordinated with technical and business teams to enhance product value and client satisfaction

SabancıDx, Product Management Intern 10/2024 – 12/2024

- Designed end-to-end customer journeys for e-procurement platforms, improving user experience for suppliers and purchasers
- Collaborated with software development teams to optimize product features and platform functionality
- Supported product transition processes, ensuring smooth onboarding and continuity for existing customers

QNB, Corporate Entrepreneurship Intern 05/2024 – 10/2024

- Identified and recruited entrepreneurial talents within the bank, integrating them into the "Idea Camp".
- Launched the bank's first corporate entrepreneurship consultancy project.
- Supported Youth Banking and crypto business initiatives within the Product departments.

- Experienced all aspects of People Experience, including talent acquisition, talent strategy, compensation, and benefits.

Organisations

Yenibirlider Association, Fellow

01/2024 – 01/2025

Selected as one of 21 fellows recognized as potential next-generation leaders.

- Participated in exclusive seminars with top executives and received one-on-one mentorship.

23 Talent Association, Social Entrepreneurship Coordinator

11/2022 – 12/2023

Volunteered in a nonprofit youth program in Turkey.

- Facilitated a social entrepreneurship program for students, covering idea generation, execution, mentoring, and financial support.

Stanford d.school, University Innovation Fellow

10/2022 – 11/2023

Selected as one of four Stanford fellows at Boğaziçi University.

- Participated in the Silicon Valley Meetup at Stanford and presented projects developed on our campus.

Young Guru Academy, Community Manager

05/2022 – 05/2023

Volunteered for a year at an international NGO.

- Organized the YGA Summit and facilitated camps for people with disabilities.
- Led multiple field projects for children affected by earthquakes and disadvantaged children.

Turkey Technology Team, Robotics and Coding Instructor

02/2022 – 03/2023

- Taught students robotics and coding.
- Mentored teams preparing for national tech competitions.

Projects

Nereye Doğru Nasıl

07/2024 – Present

Nereye Doğru Nasıl is a content platform that inspires young people through the stories of their peers who pursue specific endeavors and personal growth. We currently produce various content types for Instagram, YouTube, and Spotify.

- <https://www.youtube.com/channel/UCZXCYu2Ew-pdiCBtJnSqKlw> 

WeAreOne

01/2022 – 09/2023

WeAreOne is a social initiative that fosters community inclusion for people with disabilities by developing their artistic perspective.

- Organized four workshops, reaching over 100 people with disabilities.
